WITH OUR COUNCILMEN.

An Interesting Session Held Monday Evening.

SOLDIERS FAMILIES MUST NOT WANT

Ample Provision to be Made for their Welfare—A Handsome Furnished Council Chamber-

MANY BILLS WERE PAID

The regular semi-monthly session of council convened Monday evening at 7:30 in their new and handsomely furnished room with President Harry Keller in the chair and the following members present: Gerberich, Valentine, Lowery, Houser, Sheffer, Wetzel, Garrity and Tripple.

The minutes of the previous meeting were read by clerk Isaac Mitchell, and there being no corrections they stood approved.

Verbal communications were called for and Mr. J. Zeller arose on behalf of the Episcopal church. He asked that a larger pipe, two inches in diameter be run from Linn street to church in order to run their motor for the pipe organ in church. The present pipe is to small. They have to hire a man to pump the organ.

Fire marshal Joseph Wise handed in his report of the Joseph fire. He also requested council to buy the fire department 12 spaners and 4 plug wrenches.

The following communication was received from the W. C. T. U., in regard to furnishing relief for the families of soldiers who have gone to the war. The extract from the Press refered to relates how the city council has organized a relief fund for families of volunteer soldiers, and appropriated $50.000 for that purpose.

To Town Council, GENTLEMEN.

We respectfully submit the enclosed extract from the Philadelphia Press for your favorable consideration inasmuch as we hear from reliable authority that there are cases within our own boro of extreme need among the families of men who have entered the service. We feel that the patriotism of our town should be shown for these brave men in some more substantial way than in farewell speeches and a display of bunting. W. C. T. U.

Wm. Humes and Murray Andrews through Mr. Gerberich requested a new crossing across Allegheny street from Hale residence and also a new one across Howard street from Hale residence to Humes residence and also a new one across Howard street from Hale's to Curtin's. They also requested an underground sewer from Curtin residence to Spangler's to carry off the great quantity of water that comes from Howard street, jail hill and bunker hill.

The street committee reported cleaning different streets and alleys.

The water committee had nothing important to report except that the following parties had refused to sign water contracts: Peter *M*endis, J. D. McKee and Jenkins & Lingle.

Fire and Police committee reported recent fire and bursting of two sections of old gum hose. Fire company did excellent work at this fire and deserve much praise.

The ladies of the village improvement society requested that the walks on East Curtin street be reduced to one grade. They should be repaired as they are in a dangerous condition.

The market committee reported the opening of curb market a week ago last Saturday. $1.80 was collected as market fees.

Mr. Gerberich seconded by Mr. Valentine moved that a four inch pipe be run from Linn street down Lamb to Episcopal church. It was so ordered.

The communication of the W. C. T. U., in regard to relief for the soldiers families was refered to Finance committee to devise ways and means with authority to call a special meeting in regard to the matter. Messrs. Keller, Garrity, Houser and Valentine were strongly in favor of prompt and decided action in this matter.

The requests for crossings and sewer by Messrs. Humes and Andrews was refered to street committee with power.

In regard to complaint of walks on Curtin street, boro engineer is to go on the ground get grade and notify property owners to bring their walks to this grade.

The following bills were approved and orders drawn for same.

Samuel Rine, engineer	$38.50
E L. Powers,	2.60
R. B. Taylor, coal	44.69
H. B. Pontius, Water register	30.00

A SUDDEN DEATH.

Geo. W. Stine Stricken With Paralysis While Loading Lumber.

Tuesday morning Geo Washington Stine, of Pleasant Gap, came to Bellefonte to get a load of lumber He was apparently in his usual good health but while in the act of loading the lumber at Crider's lumber yard he was suddenly taken with a spell which proved to be a stroke of paralysis. But for the timely assistance of foreman William Straub he would have fell from his wagon. He was taken to Crider's office and his brother-in-law John Bilger was sent for. The unfortunate man was apparently conscious of everything going on around him but could not speak nor move a muscle. He was removed to his home at Pleasant Gap where he lingered until 12 o'clock Tuesday night when he peacefully passed away.

George Washington Stine was born near Pleasant Gap and was in his 44th year. All his life he made his living by day labor and was a steady and industrious man, enjoying the confidence and respect of all who knew him.

He leaves a wife, Rachel Bilger Stine, and four children, namely: Ernest, of Howard; James A., of Lewistown; and Harry E., and Mary E., at home.

The funeral will be today afternoon at 2 o'clock from the residence of the deceased.

Improvements at the Academy.

In preparation for the 30th anniversary of Prof. James P. Hughes' principalship of the Bellefonte Academy the buildings will be repainted in a short time. The color selected is a cream tint which will give the buildings a fine appearance from their commanding position on the Hill.

The grounds will also be graded and terraced.

The Academy has started the nucleus of a fine reference library with the munificent present from Mr. Andrew Carnegie the Pittsburg multi-millionaire of $300, worth of books, to wit: Century Dictionary, Encyclopedia Brittanica and Filsi's History of the world. This is the Academy's banner year.

WAR NEWS HOT FROM THE WIRE.

KINGSTON, Jamaica, May 16.—9 a. m.—Cable communication between Santiago and Cienfugos is broken.

MADRID, May 16.—The whole Spanish cabinet has resigned t is denied that this indicates peace. Premier Sagasta has been asked to form a new cabinet and has accepted the task.

CAPE HATIEN, Hati, May 16.—9:45 a. m.—The whereabouts of the United States fleet under the command of Rear Admiral Sampson is unknown. It is expected that this point may be used as a base of supplies.

LONDON, May 16.—10:45 a. m.—The Madrid correspondent of the Standard says the government has wired Captain General Augusti at Manila, authorizing him to grant such reforms in the Philippines as are compatible with the national sovereignty.

BERLIN, May 16.—11:00 a. m.—It is alleged here that the Ambassadors at Madrid offered to mediate if they received the Spanish mandate and Senor Sagasta replied that Spain was willing to have peace provided the Cubans were allowed to choose their own government.

WASHINGTON, D. C., May 16.—Following is a copy of the cablegram received by Secretary Long today from Admiral Dewey :

"Cavite, May 13, via Hong Kong, May 15.—Maintaining strict blockade. Reason to believe that the rebels are hemming in the city by land, but have made no demonstration. Scarcity of provisions at Manila. Probable that the Spanish Governor will be obliged to surrender soon. Can take Manila at any moment. Climate hot and moist. On May 12 captured gunboat Callao, attempting to run blockade. Have plenty of coal. One British, one French, two German, one Japanese vessels here observing." (Signed) "DEWEY."

KEY WEST, May 16.—4:05 p. m.—The Spanish fleet has been sighted 18 miles off the northern coast of Cuba. Blanco has agreed to exchange two American newspaper correspondents for Spanish prisoners.

LONDON, May 17.—12:30 p. m.—A dispatch just received from Havana says that an American vessel, supposed to have been the "Nashville," was blown up by a torpedo while attempting to remove the torpedos and mines in Cardenas harbor. All of her crew perished.

CURACOA, May 17.—11 a. m.—The Spanish squadron under Admiral Cervera, which left last evening after the cruisers Vizcaya and Infanta Marie Teresa had taken on board about 700 tons of coal and a great quantity of provisions, has been sighted today. When the squadron disappeared it was going westward.

LONDON, May 17.—11:15 a. m.—A dispatch from Madrid says that the Spanish warships left Curacoa on Sunday at the request of the Dutch officers. Another dispatch from the same source says that the Spanish fleet leaves Cadiz today for the Philippines.

ST. THOMAS, W. I., May 17.—11:30 a. m.—The auxiliary cruiser Yale, formerly Paris, called here for orders at 5 o'clock yesterday afternoon. She returned today and is now awaiting orders at this port.

CUROCOA, Dutch West Indias, May 18.—10:04 a. m.—The Spanish fleet is now supposed to be off the coast of Venezuela, or off the coast of Colombia. Only a portion of the fleet was allowed to enter this harbor to obtain provisions, cattle and coal, which were purchased here. Confirmation was obtained of the report that the Spaniards left one of their torpedo gunboats at Fort De France, Island of Martinique.

NEW YORK, May 18.—10:10 a. m.—A special dispatch from Hong Kong says that Consul Wildman has returned there from Kooloon Bay, where he took the insurgent leader, Gen-

A Big Day for Odd Fellows.

Wednesday June the 8th promises to be a big day for Odd Fellows of this and adjoining counties. A big picnic has been arranged as previously announced in this paper, to take place at Hecla Park to which Odd Fellows from Lycoming and Clinton counties have been invited.

Three eminent members of the order have been invited to be present to speak; one of them, Esan Loomis, of West Chester, deputy grand master, has already accepted and the other two, Samuel McKibben, of Philadelphia, who will be installed grand master at the meeting of the grand lodge on the 17th and Robert E. Wright, of Allentown, representative from Pennsylvania to the sovereign grand lodge, have both intimated that they would like to come. though a definite answer has not been received from either.

The committees for the event are as follows:

Transportation—W. H. Fry, Pine Grove Mills; W. M. Cronister, Bellefonte; S. S. Criseman. Philipsburg.

Entertainment—A. Luchenbach and W. H. Musser. Bellefonte; Dr. S, S. McCormick, Hublersburg.

Speakers,—C. H. Evey, State College; E. W. Meyers, Boalsburg, C. W. Hartman, Millheim.

Finance,—H. B. Pontius, Bellefonte; John D, Brown, Snow Shoe; Abe Weber, Howard.

Amusement,—F. E. Naginey and J. Will Conley. Bellefonte; C. L. Gramly, Rebersburg,

Printing,—S. S. Miles, Port Matilda; Ira G. Burket, Stormstown; D. W. Glossner, Blanchard.

Music,—J, P. Smith. Bellefonte; John Williams, Lemont; J. S. Rowe, Centre Hall.

Another Swallow Campaign.

Twenty-five grave-faced Dr. Swallows, clothed in decorous black, but with winkling eyes which betrayed their penchant for more fun making than could be reasonably attributed to the phototypes of a certain Harrisburg gentlemen of prohibitionist tendencies, were in the plot.

The plot, or as it nearly proved to be—a marplot, was to invade an Academy chimney in a body, being supported by swallow myrmidons to the number of 300. The plan worked well and at 8 o'clock last night over 300 swallows soared over Academy Hill and then with Spanish speed dove pell mell into the big chimney which lifts itself above the apartments of Miss Overton.

Instantly there was a tremendous racket inside the chimney but all the swallows with the exception of the twenty-five again arose from the chimney and sought cocktails consisting of dew and cherry blossom juice. The twenty-five remained until 11 o'clock when a wild and wierd scratching commenced which nearly drove the popular kindergarden teacher frantic. She called for assistance from Prof. James Hughes. *He* soon put in an appearance and cut a hole through the wall to make way with the one lone swallow supposed to be in the chimney. No sooner was the hole opened than one swallow after another in a line twenty-five swallows long emerged from the chimney hole and commenced to soar about Miss Overton's room to an accompaniment of screams on her part and sharp pointed rods by Prof. *Hughes*. Quiet was finally secured about midnight when Miss Overton's nocturnal visitors were pursuaded to leave by dint of broomsticks and lights held outside the window.

From a spectacular standpoint the Swallow campaign at the Academy was a howling success.

A False Report Corrected.

There is a rumor on the streets that *J.* L. Runkle, the plumber, while at work in Joseph's cellar Weduesday May 11 accidentally set it on fire. This is entirely incorrect and is a great injustice to Mr. Runkle. A reporter for this paper interviewed Mr. Holtz and learned from him that Mr. Runkle was not working in the celler at all but was disconnecting some steam pipes in the dwelling house adjoining and had no candle, lamp or fire of any kind about him.

is very plain and is as stated in another part of this paper.

A Prompt Campaign Wanted.

The people of the United States, those who are backing this war, while not exactly directing it, are in favor of the plan which contemplates the invasion of Cuba with a large force, at least 60,000 men, regulars and volunteers, the figures latest announced.—Kansas City Star.

'TWAS A FAMOUS VICTORY

Bellefonte Academy Nine Wins an Exciting Game of Base Ball.

SLAUGHTER OF THE INNOCENTS

State College Town Team Thought They Had Encountered Dewey's Squadron ere the Game Ended —Banquet Given Academy Boys.

HOW THE GAME WAS WON

The crack nine of the Bellefonte Academy added another victory to their increasing string of scalps last Saturday when they defeated the strong town team of State College on the 'Varsity diamond in a game which was marked by the heavy hitting and splendid fielding of the Governors. From the first inning until the game ended the Academy boys outplayed their opponents in every department of the national pastime, and were frequently applauded for their brilliant bits of fielding.

The game was won in the first and second innings when two cushion hits by Curtin, McIntyre and Gephart, with the bases full, brought in eleven runs. Again in the fifth inning the lads from the Hill pounded out five more runs and incidentally knocked Pierce, the crack twirler of the Towners, out of the box. The appearance of Henderson behind the bat with Otto at short stop, strengthened the Academy in two positions where strengthening was needed, and both men were important factors in winning the game. Cummings led the batting with four clean singles. Among the features were a hard running catch by Gephart, Henderson's throwing to second, and Otto's all-around work. But two errors marred the Academy's play, Otto being the offender but one of them was a hard hit ball which might have been a single. The State College outfielders played like a bunch of wooden men. Hartswick and Penrose played the best individual games for State. MacIntyre had their heavy batters at his mercy; but five scattered hits being secured off his delivery. He eased up in the seventh and three runs were scored. Owing to the size of the score only seven innings were played.

The Academy team will play the State College freshman team next Saturday at State College and a hot game is expected. They will play the State College 'Varsity in a few weeks.

On Saturday night a banquet was given the team by Prof. Hughes, after which a true school boy celebration was held. As the Academy this Spring has the strongest team in its history it is to be hoped that the people of Bellefonte will support it.

MEMORIAL DAY.

General Orders From the Headquarters of the Grand Army of the Republic.

HEADQUARTERS DEPARTMENT OF PENNSYLVANIA, GRAND ARMY OF THE REPUBLIC. S. W. CORNER FIFTH AND CHESTNUT STREETS.

GENERAL ORDERS No. 12.

PHILADELPHIA, April 5, 1898.

I. 'Tis thirty-three years since the rifle and the sabre were displaced by the hammer and the plough; thirty-three years since the uniform of blue was changed for the habiliments of peace; thirty-three years of achievements that impress the truism, "Peace has her victories, no less renowned than war."

Monuments have been reared to our heroes and to their heroic deeds, some casting shadows on placid waters, others standing above mountain tops; "but neither classic bust, nor monumental marble, nor lofty cenotaph, nor stately urn, nor enduring bronze, nor everlasting granite, can add to the glory of our dead comrade in this land they loved so well."

Again we are approaching Memorial Day, again, with fragrant flowers, sweet music and patriotic eloquence, shall we stand by the side of the graves of our comrades and pay to them the tribute of our heart's affection—of our loving remembrance of their gallant deeds—and over the little green mounds, which are now their bivouacs, renew our devotion to their memories and to the cause for which they battled.

Loving hands shall place evergreen and the rose, the lily and the violet, on the hillocks of green which mark the resting places of our soldier and sailor dead, sweet voices shall sing their praises and fervent hearts shall teach eloquent tongues to reverentially voice gems of thought in memory of heroes gone.

Our Memorial Day is not a day for sack-cloth and ashes: it is not a day for mourning or for fasting, nor should it be a day devoted by any patriotic American to frivolous festivities or to holiday pastimes. It is a day for the flag, for flowers, for music, for patriotism, a day for communing with the dead who died that the Nation might live for the dead who offered all they had that "this Nation might not perish from off the earth."

Let all the people gather spring-time's brightest garlands to decorate our heroes graves; not one shall be forgotten. In twining wreaths on monuments to leaders we pay a tribute to those who were led; a rosebud on the grave of private soldier or sailor symbolizes our love for the memory of all who wore the Union blue whether on land or on sea; whether they sleep their last sleep amid tablets of marble or of bronze or found their final resting place beneath the waters of our rivers and seas.

"The meanest rill, the mightiest river
Roll mingling with their fame forever."

II. If arrangements have not already been made for attendance of Posts at Divine Service on Sunday May 29th, they should be perfected at once. This is one of the essential features of our Memorial Services, and Churches of all denominations will gladly aid in our participation in the worship of God.

III. It is recommended that, where feasible, Posts will arrange with the Pastors of the churches at which this part of the service is held, to select texts illustrative of "The gains to American citizenship by the success of the Union soldiers" and "The unquestioned and everlasting right of the cause of those who battled for the Union.

IV. The success attending the visits of the public schools by comrades on the school-day next preceding May 30th has been so great that the continuance of the custom is urged. Tell the children in your own way what the old flag represents, how it was followed in suffering, danger, and death; how it was brought back with not a star missing and with freedom for all emblazoned on its stripes. Impress love of country and duties and blessings of American citizenship; what it cost to preserve it for them and for those who shall follow them. Tell the school children of our Memorial Day, and what it means, and the future men and women of America, with the object lesson of patriotic teaching from the lips of living men who bore their part gallantly on battlefields, will remember them while memory lasts, and they will learn, too, what patriotism means.

V. Interest your neighbors in Memorial Day, whether they be soldiers or non-soldiers. Make a place for organizations to be with you. Though a Post be numerically small it can make its ceremonies and its services on Memorial Day so interesting that men, women and children will want to participate in paying homage to our dead comrades.

VI. In localities where there is more than one Post arrangements will be made by them for a division of the work. This can best be accomplished by the officers or committees.

VII. It is again directed that May 30th is Memorial Day, not decoration day. The latter term is one applied by those who seek to divert the day to games, races, etc.

The only authoritative Grand Army designation is Memorial *Day* and it is urged, that the newspapers, the public and all comrades give emphasis to this on every occasion.

By command of department commander W. D. Stauffer.

CHAS. L. LEIPER.
Assistant Adjutant General.

NOTE—Superintendents and Teachers are urged to have this Order read on the school day preceeding Memorial Day-say May 27th-and would do well to preserve this issue of the DAILY NEWS for that purpose.—EDITOR.

THANKS TO THE QUEEN.

Spain Can Never Repay the Moral and Material Debt It Owes Queen Christina.

In view of the possibility of Queen Christina being deprived of the throne of Spain in connection with the present trouble with the United States, it is just as well to strike a financial balance, and to show the extent to which Spain has benefited by her generosity.

As a rule the anointed of the Lord extort everything that they can possibly get from the national treasury, their one idea being to provide against that rainy day which falls to the share of so many of the rulers in modern times.

To these Queen Christina presents a striking contrast. From the time that she became a widow, that is to say over twelve years ago, she has steadily refused to draw the allowance of $200,000 per annum to which she is entitled as a widow of a King of Spain. And she has a right to as much more as Regent of the Kingdom. Moreover, since 1893 she has turned over to the treasury each year $200,000, more of the civil list which the constitution provides for the maintainance of the King and of the royal family. A couple of weeks ago she donated a sum of $200,000 to the national naval fund, and three months back she gave her personal guarantee on the strength of her Austrian fortune to the Rothchilds of Vienna for an advance to the Spanish government of $10,000,000 which is as good as given out of her pocket, since Spain will now be less than ever able to fulfill its financial obligations.

That is to say, that since Queen Christina has become regent the Spanish treasury has practically received from her the relatively collossal sum of $17,000,000, which any other sovereign in her place would have quietly either invested profitably in some undertaking or else confided for safe keeping to the Bank of England as so many other foreigners are in the habit of doing. The Spaniards are so punctilious in all questions that relate to honor and chivalry that they would do well to remember this debt of theirs toward Queen Christina, when they turn her out of the country, all the more as she has endowed the court of Madrid with a degree of respectability and decency, which prior to her advent in Spain was entirely unknown.

Indeed, the Spanish court up to the time of her marriage was celebrated throughout the length and breadth of Europe for its gross immorality, quite in keeping in fact with Madrilene society, which is the most corrupt in the Old World.

Today the court of Madrid enjoys the same reputation for propriety, and its standard of purity is as high as that of Great Britain, for which the Spaniards have no one to thank but the Queen.—Marquis de Fontenoy in Philadelphia Press.

Baby's Coming

means pain, danger and possible death for some wives. For others it means practically no discomfort at all. There is no reason why childbirth should be a period of pain and dread. Several months before a woman becomes a mother she should prepare herself for the critical ordeal. There is a preparation made which is intended for this purpose alone.

The name of this wonderful preparation is

Mother's Friend.

It is a liniment to be applied externally. It relaxes the muscles and relieves the distension, gives elasticity to every organ concerned in childbirth, and takes away all danger and nearly all suffering. Best results follow if the remedy is used during the whole period of pregnancy. It is the only remedy of the kind in the world that is endorsed by physicians.

Troops Sail For Cuba.

Tampa, Fly., May 10.—The steamer Gussie, which was expected to sail last night with a cargo of arms, ammunition and supplies for the equipment of the Cuban insurgents, cast loose from her moorings at 1.30 o'clock to-day and started on her journey south.

Captain J. H. Dorst was in command of the United States troops which were on board of her, consisting of companies E and G. of the First Infantry, commanded respectively by Captains J. J. O'Connell and N. P. Phister.

A large crowd of soldiers had gathered on the docks to see their comrades depart, and as the boat steamed slowly away hearty cheers were sent after the fortunate boys in blue on her decks.

The command of the United States troops at Tampa was to-day formally turned over to Major General John F. Wade by Major General Shafter, in conformity with the orders received yesterday from Washington. General Shafter, it is said, will, however, be in command of the army on Cuban soil and will direct the campaign against Havana.

High School Commencement.

The annual commencement of the Bellefonte High school will take place in Garman's opera house on Thursday, June 2nd. The class is composed of the following named young ladies and gentlemen: Earl Aikens, H. P. Blair, Eva Crissman, Wm. Dorworth, Ida Fauble, Lizzie Faxon, Estella Gault, Charles Gilmour, Daisy Keichline, Dorsey Knox, Maurice Otto, Samuel McClure, May Runkle, Robert Stewart and Henrietta Wright.

The annual address to graduates will be delivered in the evening by Rev. M. L. Ganoe, of Altoona, one of the leading ministers of the Methodist church. Rev. Ganoe delivered a lecture here several years ago for benefit of Gregg Post, his subject being "What a Boy saw in the Army."

Wednesday evening, June 1st. the Junior contest for the Reynolds prize will take place in the opera house. Those who will take part are Millie Barnhart, Ward Fleming, Orrie Kline, Mamie McGarvey, Helen Musser, Jerry Stine, Frank Schroyer, F. A. Snyder, Eulalia Williams and Helena Williams.

An admission of 10 cents will be charged to these exercises to pay for the use of opera house.

Equal Lay Representation May Win.

WASHINGTON, May 11.—The spring conference of the Methodist Episcopal church have all been held and the vote on the proposition for equal lay representation is: For, 3,278; against, 937. The vote last year was: For, 1,589; against, 2,685. Fifteen foreign conferences are yet to be held, and the voting of the fall conferences will not be held until the 1st of September. The proposition, however, has already received 119 more votes than the necessary three-fourths to carry.

Railway Arbitration Bill.

WASHINGTON, May 11.—For more than three hours this afternoon the senate discussed what is known as the railway arbitration bill, a measure designed to adjust by means of voluntary arbitration differences that may arise between railroad officials and their employes. Mr. Kyle, republican, South Dakota, in charge of the bill, offered a number of amendments which were agreed to. In order to meet objections raised to the measure, Mr. Hoar, republican, of Massachusetts, offered an amendment which was accepted, provided that no injunction should be issued which would compel the laborer against his will to carry out any contract for personal labor or service. The bill was still under discussion when the senate adjourned.

The Journey of Womanhood.

When a young girl develops the first evidences of womanhood, it is as if she were starting alone upon a strange journey beset with rough and dangerous places. A wise and loving mother will not allow any false delicacy to prevent her from giving her daughter the plainest information and advice at this critical stage of her existence.

Young girls suffer a vast amount of unnecessary pain and misery for lack of frank and confidential instruction about their own physical selves.

The special weaknesses and diseases incident to woman's organic development are completely and permanently remedied by the "Favorite Prescription" prepared by Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

More than 90,000 cases of obstinate female difficulties have been absolutely cured by this wonderful "Prescription." It heals, strengthens and completely rejuvenates the tissues and nerve-centers of the feminine organism. It is the only medicine devised for this special purpose by a regularly graduated experienced physician. It is the one authorized preparation which may be positively relied upon to *cure*.

Mothers and daughters may consult Dr. Pierce by letter without charge and in the most absolute confidence. Their letters will be answered not by any mere nurse, but by an educated skilled physician. Dr. Pierce's Common Sense Medical Adviser will be sent free if 21 one-cent stamps are inclosed to defray the cost of mailing *only*.

Miss Edith Cain, of Clinton, Allegheny Co., Pa., writes: "I take pleasure in expressing my faith in your 'Favorite Prescription.' After two years of suffering I began taking Dr. Pierce's medicine and now I am entirely cured. I had been troubled with female weakness for some time and also with a troublesome drain on the system, but now I am happy and well. I will cheerfully recommend Dr. Pierce's Favorite Prescription to all invalid ladies."

An Old Man Went for Him.

An interesting fight was witnessed at the D. L. & W. depot at Bloomsburg the other day. A stranger who claimed to be a Spaniard on his way home to fight for his country, became very insulting in his remarks to an old man, who, judging from his appearance, was about 65 years of age. The old man stood it for a while, but finally his American blood began to boil, he could no longer control his angry passion, and he went at the foreigner with all his might, landing severe blows. The Weylerite, in order to escape punishment got down under the seat in the car.

Has Had It Patented.

John Cupper, who is covering the mail boxes throughout the United States with aluminum, has so improved that paint that he has applied for and has been granted letters patent on the same. The paint patented is called "Cupper's Crystal Aluminum." It contains more lustre than that on the boxes in this city and in many other respects is very much better. The patented paint will be applied first to the boxes at Atlantic City and other resorts along the coast.

Locomotive Engineers in Session.

ST. LOUIS, May 11.—About 300 delegates were present here to-day when Grand Chief Arthur called the third bienniel convention of the Brotherhood of Locomotive Engineers to order for a three weeks' session.

To-day's business consisted of the appointment of committees on credentials and organization and arranging the details of the subsequent meetings. All the national officers are present.

The Rules of the Road.

So many wheels are being ridden in this city and elsewhere some few suggestions would not be out of place.

Bicyclists should remember the law of the road—turn to the right in passing in the opposite direction and if you wish to pass a person going in the same direction you must allow him to take the right hand side of the road and you turn out to the left. Observing this rule will prevent many collisions.

People should not throw glass, tacks or other sharp materials into the road as many a tire is punctured in this way and a punctured tire is not worth very much.

Bicyclists, especially the women, should see that every burr and bolt is tight before going for a spin.

Coal Breaker Burned.

SCRANTON, Pa., May, 11.—The Riverside coal breaker in Archibald borough was destroyed by fire at 9 o'clock tonight. It was operated by the Ontario and Western Railroad company. Several men were in the shaft on the night shift, but they got out safely. The loss is estimated at $75,000, and the origin of the fire is unknown.

Weyler Urges Invasion.

LONDON, May 10.—A dispatch to the "Chronicle" from Madrid says:—

"The ministers remain in office here hoping to pass the special war budget. There is talk to-day of a military government and perhaps a Conservative Cabinet under Martinez Campos.

"Weyler's friends publish his advise to land a devastating force in the United States and to form a strong Ministry out of all the opponents of the present Government.

"Reinforcements for the Philippines are preparing, but the censorship forbids sending details.

"There have been riots at Cordova and Fleche. Near Alicante women are leaders. The rioters now cry out for a republic. Two hundred are prisoners at Linares.

"The Minister of the Interior advises a state of war for all Spain.

"Wheat in Madrid has risen 40 per cent, but there is no change in the price of bread. The Mayor commands bakers to make large, special loaves of fixed prices and weight.

"No middlemen are allowed to sell."

Too Much for Him.

"That botany professor has lost his mind."

"War excitement?"

"No, he couldn't classify more than fifty of the flowers on his wife's spring hat."—Chicago Record.

THE president may appoint some Pennsylvanians brigadier generals in the volunteer army, but it is quite evident that the Pennsylvania regiments will be widely separated. For sentimental reasons, perhaps, it would have been desirable to keep the boys together, but there is no sentiment in war. It looks now as though the camp at Mt. Gretna will soon be deserted and the troops rushed to the front. Everything now favors an early invasion in force of Cuba. Puerto Rico and the Philippines.

History Some Time Hence.

Teacher of History—Willie, what was the main thing which hastened the Spanish-American war?

Willie—The destruction of the *Maine*, mainly.

"What happened then?"

"A battle on the main."

"The Spanish main?"

"No."

"The American Maine?"

"No· just outside Main-ila."

"Did the Americans fight well?"

"With might and main."

"What remained?

"Not much of Spain."

"What caused the war?"

'Spanish do-main."

"On the main land?

"No; on the island of Cuba."

"Very good, Willie: always remember the Maine.—From the Boston Times

FELL DEAD AT HER FEET

A Young Man Who Mistakenly Believed He Had Heart Disease.

He Simply Scared Himself to Death, for His Heart Was Sound.—What a Pity He Did Not Take Proper Advice!

A dramatic story is told of a young man in Chicago who believed he had heart disease. He abstained from exercise and he avoided excitement. He dosed himself persistently and imagined that only by leading an invalid's life could he hope to keep death at arm's length. One day he suddenly met a woman who had been associated with a discreditable chapter in his history.

"My God! my heart!" cried the young man, and he fell at her feet stone dead.

An autopsy showed that his heart was absolutely sound. It was the opinion of the physicians that he might have lived to a ripe old age if he had taken the precaution to consult a competent specialist.

The time when a physician was laughed at for devoting himself to one branch of his profession is past. So broad is the field of medical knowledge that no one man can hope to cultivate it all. The seven great men whose portraits accompany this article have earned the undying gratitude of the world by their work as specialists.

Notice that the frame of the pictures is a "5" preceded by a dollar mark. Five dollars is a great or a small sum, according to circumstances. One thing is certain: a five-dollar bill never looks quite so small as when it is considered as the price of a complete diagnosis and full treatment by medical specialists of the highest rank.

Do you think the thing is impossible?

The Warner Nazaro Medicine Co., of New York City, has made it possible. At the head of the company is Mr. H. H. Warner, who made himself famous several years ago by the perfection of a remedy for diseases of the kidneys. He has enlarged the sphere of his usefulness by organizing a staff of specialists, whose services are placed within the reach of a vast public who otherwise would have no means of getting the best special treatment America affords. This superb body of physicians includes authorities on diseases of the blood and the nerves; of the heart, liver and kidneys, of the stomach and bowels. There are specialists in those dreadful malafies that make women wretched, as well as in the obscure and obstinate ailments of men.

To have the advantage of the Warner Nazaro Medicine Company's remarkable enterprise, send a frank, full account of your disease to the company's offices, 220 Broadway, New York. One of the symptoms blanks prepared by the Board of Physicians will be mailed you free on application. This will enable you to give a complete history of your affliction. In return, you will get a diagnosis by a learned physician who has made your particular disease the study of his life, and medicine for a month's treatment, should so long a time be necessary for a cure. Please bear in mind that this medicine will be especially prescribed for you. Write today for the symptoms blank.

Letter from a Woman

Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain to cure Dyspepsia, Constipation, Rheumatism, Scrofula and Eczema. This is because it first puts the Kidneys in a healthy condition, so they can sift all impurities from the blood. Healthy blood practically means a completely healthy body.

Here is a letter from Mrs. Capt. PETER RACE, of Hudson, N. Y.: "My husband was troubled with his kidneys, and suffered fearfully with shooting pains through his back. He took *Dr. David Kennedy's Favorite Remedy*, and is now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, as my stomach could not digest it. Somebody recommended *Favorite Remedy* to me, and after taking two bottles of it I was completely cured, and am feeling splendid now. We both attribute our good health to *Favorite Remedy*."

It is prescribed with unfailing success for Nerve Troubles, and for the Liver and Blood it is a specific. It has cured many that were beyond the aid of other medicine. Ask your druggist for it, and insist upon getting it. Don't take a substitute. It will cost you $1.00 for a regular full-sized bottle.

Sample Bottle Free

If you want to try *Favorite Remedy* before buying, send your full post-office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and *mention this paper*. They will send you a free trial bottle, all charges prepaid. This genuine offer is made to prove to everybody what a wonderful medicine it is.

NEW YORK FASHIONS.

New York Dresses: Spring and Summer Gowns: Trimmings: Millinery: Answers.

Cotton dresses for street wear, are preferably of pique or linen and some stylish examples in the first named material, are in very dark colors and show narrow stripes, though others are plain. Plain tan or wood shades are likewise fashionable and some distinguished dresses are in white or show white skirts and colored jackets, a striking gown being completed by a bright red pique jacket. Very broad collars are a feature in these jackets, the one in question having a collar of Hamburg insertion with wide ruffle that reaches to the shoulders and others have broad collars fancifully shaped in scallops. Quite elegant pique dresses are in pin or blue with all over tracery of narrow white braid or again the designs stimulate rich clusters of fruit or flowers that are placed more sparingly. White braid in medium width and run on in rows, is however the usual finish. Linen dresses are in natural color or white and in cut and garniture display ideas similar to those that obtain in pique and are preferred by some persons, because lighter weight and more easily freshened in the laundry. A special peculiarity in these new cotton dresses, is a wide circular flounce that plain at the top, gives a flare on the lower edge and all have short jackets that usually open over vests.

TRIMMED SKIRTS.

give particular opportunity for re-making last season's gowns and an example worth quoting, comes out fresh as when on the counter. All soil having been removed by means of Ivory soap, a silk ruffle around the bottom covers some traces of wear. The material (chaillie) shows delicate pink and green sprays on a black surface: the skirt ruffle is of green silk; the waist is completed by a yoke of heavy mesh lace laid over pink silk and bordered with a frill of material headed by a ruffle to match that on the skirt and epaulettes of material edged also by a silk ruffle, flare over the long lace sleeves which are laid over pink silk. Lovely yet simple gowns are made entirely of fine white or black Brussels net and one charming by reason of its simplicity is of white net, the skirt trimmed with three rather narrow flounces set at four inch intervals and each edged by slightly gathered pink ribbon. The waist is full with a ribbon trimmed yoke and the long sleeves have each a ruffle at the top and wrist. A pink sash gives completion. For

LAWN AND ORGANDIE

gowns, lace insertion is in great favor and often placed so as to produce confusion, since the floral pattern is interfered with in an unseemly manner. But the desire for ornamentation prevails over good taste. Lace finished ruffles are always pretty and this year bunches of narrow black velvet ribbon are greatly in order, appearing not only on lawns or other simple gowns, but on elaborate evening dresses that are composed of the sheerest or richest fabrics. Ruffle-edged readed or both, by very narrow black velvet ribbon are often seen and inch wide ribbon, either silk or velvet set on in scant ruffles is acceptable on all classes of material. Tucks also appear in every combination; some of the dressiest evening gowns have corsages of silk tucked throughout, with long sleeves to match, mousseline, lace and flowers being added and a simple lawn dress that cost less than two dollars because made at home, shows only a finish of tucks. In

MILLINERY.

as time goes on, light material trimmings placed in swarthing style around crowns, have taken the leading position and though flowers are worn of course and sometimes in profusion, yet floral trimmed hats are subordinate. Tulle or chiffon veiled by nets of very open mesh set in black or colored silk or velvet dots, have a lovely effect and dotted chiffon or net is sold in the piece, either to veil some other light fabric or to be used instead of lace as a finish. Light quality white or black lace is also used for veiling diaphanous material in millinery and all the thin fabrics in question may be placed over flowers.

"Mrs. Overton." Black nets to be worn over black or colored taffeta silk, come in lace patterns and in forty-five inch widths, are sold for from $1.50 to $2.50 the yard. These net dresses are quite genteel and very serviceable; eight yards are sold for a dress and can be made gay or grave, according to the linings.

"Catherine." Wings, birds or ostrich feathers are very much worn and may complete any sort of trimming or in themselves, constitute most of the garniture. Lucy Carter.

Their Lives Crushed Out.

NEW YORK, May 13.—Five lives were crushed out and several men terribly injured today by the collapse of two five-story flat building in course of erection on East One Hundred and Sixteenth street. The rear and side walls fell, carrying some twenty-five or more bricklayers and laborers with them. When the work of rescue was stopped tonight the list of killed was: Eric Lidden, 32 years of age; Fred Dickelecke, 58 years of age, a German bricklayer; Albert Kaminiski, 23 years of age, a German bricklayer; Peter Saldowaro, 60 years of age, a Swedis bricklayer; Frederick Hartman, 16 years of age. He was taken out alive, but died in Harlem hospital. Five others sustained serious injuries.

Salesman Found Dead.

FRANKLIN, May 13.—John W. Irwin, of slippery Rock, Butler County was found dead in bed at the Commercial Hotel here. He retired apparently in good health last evening, but did not appear for breakfast this morning. His room was broken into, and it was found that he had expired of heart failure during the night. Irwin was a traveling salesman for a Philadelphia firm, and was aged 65 years.

Healthy, happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mothers health and strength depend the life and the future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well being of both mother and child. Send 21 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page "Common Sense Medical Adviser," profusely illustrated.

DR. DAVID KENNEDY'S **Favorite Remedy**

The one sure cure for The Kidneys, Liver and Blood

Was Not Yellow Fever.

WASHINGTON, May 11.—The surgeon general of the navy has received a report from the surgeon on board the gunboat Vicksburg, stating that the suspicious cases of sickness taken from the Spanish prize, Argonauta proved not to be yellow fever. When the Argonauta was taken livered her passengers guarded against yellow fever, which was thought to resemble the early stage of yellow fever. It turns out, however, that it was the ephemeral fever incident to horse Indian countries, and was in no way connected with yellow jack.

We Are Paying Out Gold Now.

WASHINGTON, MAY 10—. The United States treasury to-day began paying out gold over the country in lieu of currency. This will be continued indefinitely. The available cash balance on hand including the $100,000,000, gold reserved is $213,313,582. Of this amount $80,328,481 is free gold, and the balance is made up of silver, treasury and United States notes.

—A battleship is a ship designed to fight in line of battle, and is distinguished from a cruiser by its heavy armor plating and slower speed. Battleships are classified with respect to their tonnage and the number of guns they carry, battleships of the first-class being of greatest tonnage and largest number of guns. The United States battleships of the first class vary in tonnage from 10,228 to 11,585. The loss of the Maine left the navy with but one second class battleship, the Texas, with a tonnage of 6,315. The Vizcaya, of the Spanish navy, which recently paid a visit to New York, is an armored cruiser, of 6,890 tons. In the United States navy there are two armored cruisers, the New York and the Brooklyn, the former of 9,135 tons and the latter of 8,840 tons.

Four Months Winter

Every horse owner who keeps an account of the cost of shoeing his horses will know that the cost of each horse for the winter, together with the constant sharpening, is about—

3 new sets shoes, $2 each	$6 00
Re-setting and sharpening for winter	10 00
Average time lost to horse and man, each trip to blacksmith, half day, 6 days	12 00
Cost by the old method	$28 00
The new method includes the *improved* Neverslip Horse Shoe and Calks.	
2 sets Neverslip Shoes and Calks	$7 00
Extra Calks for re-calking the horse 10 times	5 00
Neverslip Wrench (good for a lifetime)	1 00
Time lost, two trips to blacksmith, one day	2 00
Cost by the new method	$13 00
Saving in favor of using Neverslip Shoe and Calk	$15 00

The expense would be a trifle more if the horse was very large. Price for Calks varies from 3 to 4½ cents each, according to size.

POLITICAL ANNOUNCEMENT

LEGISLATURE.

We are authorized to announce the name of JOHN A. DALEY, of Curtin Township, as a candidate for the Legislature, subject to the decision of the Republican county convention.

PROTHONOTARY.

I hereby announce my name as a candidate for Prothonotary, subject to the decision of the Republican convention.

A. C. WILLIAMS,
Huston Twp.

Delegate to State Convention.

The friends of John M. Dale, Esq. are urging him to be a candidate for delegate to State Convention, subject to the approval of the Republican county convention, and we understand that Mr. Dale has consented to serve his friends in this capacity. The convention could not do better than to send him as their representative. He is an old time Republican, always true to the best interest of the party and will serve them to the complete satisfaction of everyone.

WASHINGTON LETTER.

From Our Regular Correspondent.

WASHINGTON, D. C.. May 16, 1898

President McKinley's greatest anxiety today arises from the fear that the Cape verde Spanish fleet, now believed to be headed for Cuba, may escape the fleet of Admiral Sampson, which did such good work in destroying the fortifications in the harbor at San Juan, Porto Rico, last week, and the flying squadron of Commodore Schley, which is now being given its first opportunity to show what it can do in the fighting line, and get safely into some Cuban harbor. It will make no difference in the end—not a vessel in that Spanish fleet will escape destruction or capture—but it would be much easier to destroy the fleet on the open sea than it will be after it gets into a fortified Cuban harbor. And besides, that fleet has supplies for the Spanish in Cuba which it is very desirable to keep away from them.

The coming of the Spanish fleet has naturally resulted in holding up all plans for the invasion of Cuba, but they are only postponed until the fleet can be got at and destroyed, not abandoned. The postponement of the invasion of Cuba is really very advantageous to us, as it will enable us to make the invasion with a larger and a much better prepared army. It has been found that many of the volunteers are poorly equipped and it will take time to gather the new equipment for them. Spending a short while in camp will also be greatly beneficial to the volunteers; it will get them in a condition to stand a campaign in Cuba.

The several fights which have taken place in Cuban harbors between our blockading ships and the Spaniards during the last few days have been entirely satisfactory to the administrations. Formidable batteries have been destroyed, two Spanish cables have been cut, many Spaniards have been killed, and our loss has been comparatively small. The crews of the blockading ships have proven themselves brave and fearless in carrying out the most dangerous orders—the men who cut the two cables in the harbor of Cienfuegos having done so in open boats, under heavy fire from batteries and from small arms.

There are a lot of rumors in circulation concerning Speaker Reeds opposition to the adoption of the joint resolution for the annexation of Hawaii, which was favorably reported to the House last week, and his intention to prevent its being voted upon. There is no foundation for these rumors, further than the wishes of those who started them. The resolution will be voted upon, and will be adopted by a large majority. This statement is made on undoubted authority.

There is no possibility that the amended war revenue bill which has been reported to the Senate from its Finance Committee can ever become a law. In fact, there is doubt whether it could pass the Senate in its present condition. In addition to striking out the clause authorizing the issue of bonds—the only certain way in which the government can at short notice raise all the money that may be needed to fight the war to a victorious end—the amended bill provides for an additional issue of greenbacks amounting to $150,000,000, a proposition that the House over—whelmingly voted down before passing the bill, and the coining of the so called seignorage of the silver bullion owned by the government, $42,000,000,000 in silver cerifi cates to be issued in advance of the coinage.. Representative Steele, of Ind., a prominent member of the House Ways and Means committee, said, after reading the bill reported to the Senate: "The majority of the Senate Fninace, Committee seem to think that this government can carry on an expensive foreign war on wind." Chairman Dingley said of the amended bill: "The Bryan democracy appears to have abandaned free silver and gone back to flat money, pure and simple. I am now wondering what the republicans who left their party and enlisted under the Bryan banner in order to secure the free and unlimited coinage of silver will say to that proposition. What's the use of going to all the trouble and expense of coining 50 cent silver dollars when you can print paper dollars in unlimited quantities and amounts at slight trouble and expense" The bond clause is certain to be restored to the bill by a vote of the Senate.

Representative Cousina, of Iowa, who has been known as an anti-annexationist, but who voted in favor of the resolution providing for Hawaiian annexation which was reported from the committee on Foreign affairs, of which he is a member, said significantly of our possession of the Philippine Islands: "No other power can be allowed to have anything to say as to how long the U. S. shall retain possession of those islands. We are at war with Spain, and the capture of the islandi if one of the incidents of that war. No other power has anything to say about it.

Senator Sewell has positively declined to accept the comission of Major General in the volunteer army, preferring to remain in the Senate.

HOLDS IT'S GROUND.

This is Testimony from Everywhere as well as From Bellefonte.

Can this be so? Is this true? Are the facts garbled? Is the truth Distorted? These are questions which every man and woman in Bellefonte sufferiug the torture of backache asks as they read the published accounts in newspapers about medicines which claim to cure it. Whatever the conclusions arrived at touching the truth of these cures are he can't hedge or flinch from or disprove the following. for it took place in Bellefonte, and the experiences are those of a Bellefonte citizen.

Mr. A. B. Steel, of Halfmoon Hill, says: "I have never had a bad back since I used Doan's Kidney Pills two years ago. I procured them at that time from F. Potts Green's drug store and used them but I have never had any occasion to use them since. I was at that time so bad with lumbago or soreness across my kidneys that I had to lay off work. I was hurt at a barn raising some years ago by a heavy timber swinging and striking me in the back. After that, whenever I took cold it always affected my kidnays. This is a case for years but Doan's Kidney Pills finished all that suffering. I can speak as highly of this valuable preparation now as I did then."

Doan's Kidney Pills for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo. N. Y. Sole agents for the U. S. Remember the name Doan's and take no substitute.

VOTERS ATTENTION.

On next Saturday evening May 21th, the Republican primaries will be held in the different wards and precincts in Centre county and it behooves every Republican voter, to turn out and register his vote for delegates to the county convertion, who will in turn vote for a delegate to the State convention, who will advocate the nomination for Governor of a man, who is all the time a staunch, stalwart Republican and not for a man who declares himself "Holier than thou" and who is determined that if he cannot be governor of the great state of Pennsylvania, no other Republican shall.

However, everyone has a perfect right to his individual opinion and at these primaries is the time to manifest it. After the State convention has named the man, then individual preferences should sink out of sight and be it W. A. Stone, C. W. Stone, John Wanamaker John Stewart or any other republican, he should receive the hearty and united support of the whole party.

Of all the candidates now named we believe that Col. Wm A. Stone is most entitled to the nomination.

The people of Centre county had a chance to listen to him last week and it is safe to say that he made the best impression of any public man who has been here for many years. His record as a soldier and a statesman commends itself to every voter in the county. During the rebellion he served his country faithfully and for eight years he has represented Allegheny county in congress. He is the tool of no man but is a stalwart straight forward Republican.

Her Seventh Birthday.

Monday evening a very enjoyable surprise party was given at the pleasant home of Mr. Charles Koontz on Willowbank street. It was arranged by Miss Anna Koontz in honor of the 7th birthday of her little sister Gustine. There were about twenty-three little folks there besides quite a number of older people who helped to make the evening a pleasant one.

Choice refreshments were served and games were indulged in until a late hour when all prepared to leave feeling that they had a very pleasant evening.

Among the older guests present were; Mr. and Mrs. George Marshall, Mrs. Harry Rine, Mrs. Ann Cox, Mrs Mary Cox, Mr and Mrs Jesse Cox, and Miss Rilla Williams.

KILLED BY THE TRAIN.

An Old Soldier Met a Sudden Death Near Hunter's Park.

Last Thursday about 6:45 a. m. as the early morning train on the Bellefonte Central railroad was coming around the sharp curve known as Bodle's curve, near Hunter's Park, and about five miles from Bellefonte, Engineer Jerry Nolan saw ahead of them and directly on the track a man walking apparently unconcerned. He at once whistled to warn the man and shut off steam but the man paid no heed and the engine struck him knocking him off the track and killing him almost instantly.

The train was at once stopped and the remains of the unfortunate man, who proved to be Crawford Switzer, of State College, were taken in charge of the railroad company and sent to an undertaker at Pine Grove Mills who prepared them for burial.

Crawford Switzer had no home of his own and no friends or relatives. He boarded at Grieb's State College hotel and worked at odd jobs for citizens of that borough. He was sixty-five years old, a veteran of the late war having served in the 1st Pa. Cavalry.

No blame can be attached to the railroad company for this accident as Mr. Switzer is very hard of hearing and evidently did not hear the repeated signals given him by the engineer.

The Oregon's Great Cruise.

From the St. Louis Republic.

Early yesterday morning the Oregon, one of the greatest sea fighters afloat, steamed into the port Bahia, Brazil. Her colors were flying jauntily and the black volumes of smoke belching from her smokestacks told the story of the mighty efforts this leviathan is making to get into the fray down in the Antilles. Close in her wake the saucy little Marietta ambled along, bristling with guns and with decks cleared for action.

On Face and Hands

Terrible Itching Sores Break Out, Preventing Rest Night or Day—How Relief Was Found.

"I have been troubled for many years with itching sores on my face and hands. I could not rest night or day and the medicine I took did not relieve me, although I tried everything I could hear of. My husband one day got me a bottle of Hood's Sarsaparilla and I began taking it with the very best results. I have taken seven bottles and am now cured." MRS. JAMES MCLAIN, Mount Arlington, N. J.

"Last winter I broke out with sores on my face. They were as large as a five cent piece. I heard people say so much about Hood's Sarsaparilla that I determined to try it. In a week after I began taking it the sores commenced to heal, and in a short time they were entirely cured." ARTHUR G. TUNISON, Karrsville, N. J.

AUDITOR OF STATE

John F. Oglevee, of Ohio, Speaks of Pe-ru na.

"Pe-ru--na is manufactured in this city on a large scale and it is recognized as one of the leading medicines of the country. I know that for coughs, colds, catarrh and mucous membraneous disases, Peru na is unequaled. For integrity and fair dealing no man stands higher than Dr. Hartman, John F. Oglevee, ex-Auditor of State."

When it is said that Pe ru na cures catarrh wherever located, a much larger fact is stated than at first appears. If it be true that Pe ru na really does cure catarrh wherever located, what a multitude of diseases Pe ru na will cure! Who is it that says Pe ru na will cure catarrh wherever located? Doctors say it, preachers say it, a vast army of men and women say it who have tried it. The old and the young say it. They say it in the East, in the West; they say it in the North and the South. All these say that Pe ru na will cure catarrh wherever located; and they say it, too, without any solictation, hesitation or remuneration. Never was a greater assertion crowded into fewer words.

Address The Pe ru nu Drug Manufacturing Company, Columbus, Ohio. for a free book on chronic catarrh.

A Handsome Council Chamber.

The members of the Bellefonte council have reason to be proud of their handsomely furnished council room in the new public building on Howard street. For many years past our councilmen have been compelled to put up with poorly furnished rooms, but now they have quarters as fine as any town in the State.

A beautiful tapestry brussels carpet covers the floor, handsome shades adorn the windows, a new council table and one for reporters has been provided. Besides this large easy back chairs give the room an air of solid comfort and must be very pleasant to the tired councilmen, when they come in from their days work on meeting nights, to untie the knotty municipal problems which confront them. Hat racks, umbrella stands and spittoons are also there, so that every comfort possible is provided. Plenty of comfortable chairs are also provided for the public who may desire to attend the meeting The committee in charge of furnishing the room were Messrs. Sheffer, Wetzel and Houser. Their ide a was not to furnish it extravagantly. but with an eye to beauty, durability and comfort and they have succeeded admirably. The committee and in fact the whole council are to be congratulated on the taste and good judgement displayed. The cost of the whole thing was not over three hundred dollars. The furniture was purchased at W. R Brachbill and the carpets from Joseph Brothers & Co.

Provide the Sinews of War.

The nation is at war. It has a great task upon its hands. While it is assembling its fleets and armies to prosecute the war effectively, it must not be handicapped by any question of funds. It will go ill with that party or that party leader who selects a time like this to play small games of politics.

JOS. HORNE & CO.

IN OUR NEW STORE.

WE are now occupying our New Store at the corner of Penn Avenue and Fifth Street, and are just as proud of it as you will be when you come to visit us.

The building is the personification of all that is comfortable and elegant, and for the expeditious transaction of large volumes of business is a model building in every respect, Mechanically and artistically, it is perfect.

On the day we opened we also invited the public to inspect the most complete stocks of merchandise that any new store ever set before the people on a similar occasion.

If you have not been here yet kindly consider this an invitation to come at your earliest convenience. The freedom of the store is yours.

AT CAMP HASTINGS!

Pennsylvania Volunteers Are Slowly Leaving It

THREE REGIMENTS HAVE DEPARTED

Fourth, Sixteenth and Third Go to Chickamauga Park--All Pleased to Get Away From Mount Gretna.

FIRST DEATH SATURDAY NIGHT

MOUNT GRETNA, Pa., May 15.—Two regiments of Pennsylvania volunteers pulled out from Camp Hastings before 5 o'clock this afternoon. The first to go was the Fourth, commanded by Colonel Case, which moved before daybreak. After reveille two trains were made up to take Colonel Huling's Sixteenth regiment, of Oil City, and during the afternoon the two battalions of this regiment left on two trains amid the cheers of the remaining commands.

Both regiments were glad to get away, as they have been without canvas since Thursday night, on which occasion they were to go to New York and thence to Tampa on transports, but failed to get away through no fault of theirs. The tents had all been packed on that day. Several more false starts followed, until to-day, when matters were arranged and the start for Chickamauga was made. The regiments left over the Pennsylvania railroad by way of Conewago, Harrisburg, Pittsburg and Cincinnati, and are to reach Camp Thomas within thirty three hours of departure from Mount Gretna.

This afternoon Colonel Robert Ralston, of the Third regiment, received orders to move at once and late this evening the regiment boarded the cars and started on the journey to Chickamauga.

Colonel John B. Porter, of the Second regiment, received orders this afternoon which divides his regiment. To-morrow the First battalion under Colonel Porter will leave for Wilmington. Del., and the remaining companies under Lieutenant Colonel Dechert will go to Pompton, N. J. Both divisions will do duty guarding powder works.

The United States army officers are getting ready to leave. Major Hall, the surgeon, left for New York this afternoon. With the exception of Majors Howe and Thompson and Captain Bryon, the others have orders to leave for different localities.

Private Howard Malsberger, company A, Sixth regiment, died last night. This is the first death in the Pennsylvania volunteers. Malsberger's home was at Pottstown, and the body was sent there to-day. The cause of death was fatty degeneration of the heart.

HARRISBURG, *May*. 15.—The Third regiment, Pennsylvania volunteers arrived here from Camp Hastings at half past 10 to-night and left for Chickamauga at 10.40 in two sections. Colonel Ralston and Lieutenant Colonel price were in charge of the trains. On the arrival of the regiment here it was met by Governor Hastings. Each car was sent a cauldron of coffee by Mrs. Hastings. The troops were in the greatest good humor.

CHICKAMAUGA NATIONAL PARK, *May* 15.—The First Ohio cavalry, the advance guard of the volunteer army, ordered by the war department to rendezvous at Camp Thomas, arrived to-day in two sections of sixteen cars each over the Cincinnati Southern railroad. The regiment is composed of eight troops.

The regiment was immediately assigned camp grounds on the east side of the Lafayette road. They were supplied with tents by Quartermaster Lee from the recent consignment here for the volunteer army. Very few uniforms have been received at the quartermaster's department here, but an order for 25,000 has been sent in and will be filled just as rapidly as possible. In the meantime, the volunteer boys will have to get along with their old ones as best they can.

New England cotton mills are announcing that they will not make their usual summer suspension of business this year.

A Pathetic Scene in Camp.

A dispatch from Mt. Gretna says that on Friday when company H, Sixth regiment. came up for muster, two of its members carried another on a litter. He was not hurt, and his sickness would soon be cured, the surgeons said, but though very weak he insisted on going with his company to be sworn in. Major Thompson questioned him and looked over carefully, but found that he was not permanently ill and accepted him with a few kind words of compliment. The pathos of the scene, the boy holding up his hand from the litter and the two bearers assisted by two others. because they had to hold up their hands, touched the bystanders deeply, and tears came to the eyes of some of the ladies on the platform above the company.

AGAIN THE GUARD.

A Conference Held in Harrisburg Yesterday Evening.

THE OLD VETERANS STEP IN

Generals Wiley and Gobin Are Now to the Fore and Will be Commanders of the Several Brigades.

GENERAL ORDERS TO BE ISSUED

HARRISBURG, *May*. 17.—A conference of the general officers of the Pennsylvania National Guard was held at the executive mansion t-night, at which arrangements were completed for the formation of a provisional guard to take the place of the various commands from this state mustered into the United States service. The new organization will consist of nine regiments of infantry, three troops of cavalry and three batteries of artillery to be divided equally among three brigades. The strength of the various commands will be in accordance with military regulations. There will be three battalions of four companies to each infantry regiment, although only two battalions will be recruited and organized for the present.

Colonel Edward Morrell, of Philadelphia, has been tendered by Governor Hastings the appointment of Commander of the First brigade. He has accepted and will have headquarters in the City hall, Philadelphia. General John H. Wiley will command the Second brigade with headquarters in Frandlid, and General J. P. S. Gobin will lead the Third brigade. His headquarters will be at Lebanon. Major General Snowden will command the division. The brigadier commanders will recruit and organize the several commanders under them. Ex-Members of the National Guard will be given preference in enlistment. All companies and regiments will be organized with a view to utilize and care for the present armories.

The officers and enlisted men of the new organization will serve as the Pennsylvania National Guard and will be given preference for service in the volunteer army. They may be disbanded at the close of the war. The enlisted men will be subjected to a physical examination and officers and men now in the National Guard and not disqualified for active service may be transferred to the new organization. General orders giving the details for the organization of the provisional guard will be issued to-morrow from National Guard headqaurters.

Simply Sent Up.

WASHINGTON, May 16.—The British embassy was requested recently to secure information concerning the Porto Rican correspondent of the New York Herald named Halstead, a British subject, who was said to be undergoing tortures at San Juan. On inquiry of the London foreign office. the embassy is informed that Halstead was convicted of making photographs of the Porto Rican forts and was sentenced to nine years' imprisonment. The reports of torture are denied.

A Veto Sustained.

WASHINGTON, May 16.—The house today received its first veto from President McKinley and voted unanimously to sustain the executive. The veto was of a bill conferring upon the court of claims jurisdiction in a private claim case of long standing. The day was given to consideration of bills under suspension the rules, the measures of chief importance being one ratifying an agreement for the allotment and opening to settlement of the Comanche, Kiowa and Apache lands in Oklahoma, and to establish an agency office at Seattle, Wash.

The fact that at least three Democratic Presidents, Tyler, Pierce, and Buchanan, favored the annexation of the Hawaiian Islands to the United States makes it a little singular that the only opposition to the Hawaiian annexation treaty now before the Senate comes from Democrats.

Only Having Target Practice.

PROVINCETOWN Mass., May 15.—A report reached here at noon to-day that heavy firing had been heard off Catham and Nantucket. The San Francisco, which was in the harbor, immediately put to sea and when well down the cape met the Prairie on her way to this port from a cruise to seaward. Commander Train, of the Prairie reported that the ship had target practice off Catham.

Reports of firing came from many points along the cape and created great excitement in this town until the two ships came in late in the afternoon.

THE NATIONAL GUARD.

What will become of the State National Guard is a question that has perplexed not a few individuals as they see the troops turned over to the United States government. But a circular from Gov. Hastings sets the problem straight. He instructs the officers and men who are not mustered into United States service to take charge of all State property and to hold it as before. They are still National Guardsmen and are the nucleus around which new companies and new regiments may recruit. It would be wise if those who are willing to enter the service of the State or of the Nation would repair to the National Guard armories and there leave their names. It is now quite apparent that the volunteer army of the United States is to be drawn from the Nationa Guard, and not from the organizations that gather up a company of men and tender it to the Governor. The men who went away Monday night as new recruits were new recruits in the Guard. So were the men who went away the night before. The National Guard is the trained and picked body of State soldiery, the most quickly available and the most likely to make good members of the volunteer army. The National Guard, when the crucial test comes, is finally getting the recognition it deserves.

The ranks of the Guard need to be filed. It may be possible no more men will be called into the Federal service. But if they are it is desirable that they have the training they get in the Guard. If they are not called out the State needs its military arm now as much as ever. The war has proven more than anything else the value of the National Guard. Henceforth it will be recognized as the reserve military force of the United States and be given the standing in every State of the Union that it deserves. Fortunately Pennsylvania has for years had an efficient organization, and today the value of maintaining the Guard is seen.—The Pittsburg Times.

The Town of Matanzas.

Matanzas, the seat of the first engagement of the war, is a fortified seaport town on the northwest coast of Cuba, forty-five miles east of Havana. It is situated on flat ground on both sides of the San Juan river. The houses are built very substantially, mostly of stone. The principal edifices are the Castle San Severino, the church, the academy, the hospital, a theatre and extensive barracks. In commercial importance Matanzas ranks next to Havana.

It has railway connections with Havana, Cardenas and other principal towns n the island. The imports consists chiefly of food, machinery and materials for sugar and coffee plantations. Fancy goods are brought principally from Havana. Matanzas Bay, where the United States vessels lay, isspacious, easy of access and completely sheltered from wind, except gales from the northeast, which bring in a heavy swell.

The population of Matanzas, according to the census of 1880, was 47,000. Since then it increased several thousand prior to the present insurrection. Since the insurrection many people have abandoned the place. The probable population at this time is between 35,000 and 40,000. Matanzas was founded in 1693 by emmigrants from the Canary Islands. In the same year Bishop Compostello laid the first stone of the cathedral. The city suffered severely from a conflagration in 1845.

Two miles and a half east of Matanzas are the beautiful stalactite caves of Bellamar. In the centre of the public square is a statue of Ferdinand VII. Along the east side runs the residence of the commandant. The Matanzas theatre was the handsomest building of its kind in Cuba. The Empresa Academy has borne the reputation of being one of the best educational institutions in the West Indies.

The Reason Why.

The politician had been doing his best to carry on a conversation with the extremely sentimental girl, and was becoming discouraged. She was gazing through the window, and exclaimed.

"See those distant stars! Did you ever pause to think that they may be worlds?"

"Yes I believe I have."

"And that they may be peopled with beings that hope and struggle as we do? O! did you ever think of those people?"

"No," he answered, "I never thought of them."

Turning abruptly so as to face him, she exclaimed: "Why no?"

The politician thought for a moment, and then answered coldly:

"For the simple reason, miss, that they don't vote in my constituency."

—Farmers who desire to protect their crops from the attacks of insects and other enemies of his crops, and desires information how to protect them from their foes should freely address Prof. H. T. Fernald, zoologist to the Department of Agriculture of Pennsylvania, who will freely give the necessary information to prevent losses, or check the foe when it has already appeared.

What Shall Be Done

FOR THE DELICATE GIRL

You have tried iron and other tonics. But she keeps pale and thin. Her sallow complexion worries you. Perhaps she has a little hacking cough also. Her head aches; and she cannot study. Give her

Scott's Emulsion

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give new power and vigor to her nerves and brain.

Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.

Scotia is Patriotic.

On learning of Dewey's great victory the patriotic people of Scotia celebrated. A street parade and sham battle were arranged, the band turned out, addresses were made and six guns of Battery B were fired. Messrs. S. S. Heberling and P. E. Hicks fired cannon salutes. Mr. Owen Lykens was chief marshall; Messrs. Samuel Ashenfelter. A. C. Markly, of Washington camp No. 571, P. O. S. of A., and Mr. Lykens spoke, and all had a glorious, patriotic time.

The Bluejackets.

In an address at Annapolis the other day Commander Thomas Nelson, a retired naval officer, paid a just tribute to the enlisted men in the navy. He said that in a recent cruise the records of 80 per cent of the men was faultless, and only 5 per cent of them were bad. The other 15 per cent had been guilty of being unpunctual or of some trifling matter. He showed that one disreputable sailor makes more noise and attracts more attention than a hundred quiet or orderly ones, who are not noticed

The personnel of the United States navy, both officers and enlisted men, has always been excellent, and the navy has been a credit to the country in every instance where it has been engaged. The superiority of the enlisted men over those of other countries, and especially in gunnery and markmanship, has been remarkable. In the war of 1812 this superiority over the British navy was admitted and deplored in England. In that war and in other wars in which the navy has been engaged the patriotism and courage of the enlisted men have been conspicuous. Commander Nelson said there was never a call for volunteers to engage in some hazardous service that the number offer-was not greater than the number required.

There is no reason to believe that the men in the service at this time are in any way inferior in courage and patriotism and efficiency to those who fought under Bainbridge and Decatur.

X Rays For Spaniards.

A peculiar case, in which the contraband of war will likely be waived, has developed in Pittsburg. The Spanish government is negotiating with the Fessenden Manufacturing company for a lot of x ray machines to be used in field, ship and hospital service. The Spanish consul at New York asked the Pittsburg company a few days ago to furnish prices on machines ranging from the 4 inch apparatus for emergency work up to the 20 inch machine for hospital ambulance use.

Before replying to the request R. A. Fessenden consulted the authorities. He feared that the United States government would prevent him from supplying his humanitarian war material to Spain, but he has been told it is not likely objection will be made.

"We are making about 100 machines for the home government," he said recently, "and the wounded Spaniards who are taken prisoners will get the benefit of being treated by the aid of the X ray There is no reason why our wounded soldiers in Spanish hospitals or on Spanish ships should not have the opportunity of also getting this great aid to surgery. If we receive the order, it will be filled at once. I do not think the United States government will interfere with its delivery."—New York Herald.

—Chairman W. E. Gray has issued a call for the Republican primaries to be held on Saturday, May 21, for the purpose of electing delegates to the County convention, which will be held in the Court house on the following Tuesday, May 24. The County convention elects two delegates to the State convention, Harrisburg. The convention for nominating a county ticket will not be held until about Aug, 1. The county convention will be composed of 125 delegates.

COL. STONE IN BELLEFONTE

Accorded A Hearty Welcome By Our Citizens.

HOT SHOT FOR WANAMAKER

As Delivered by Stone and McDowell in their Speeches Thursday Night—An Enthusiastic Meeting.

THE COURT HOUSE CROWDED

The great state of Pennsylvania is now on the verge of one of the hottest gubernatorial campaigns ever waged in its history. Within a few weeks the Republican state convention will meet at Harrisburg and there are already seven candidates in the field. Thursday evening the citizens of Bellefonte, had the pleasure of listening to the man who is now leading the race and bids fair to win the prize which carries with it the highest honor in the gift of the people of the great state of Pennsylvania. We refer to Col. Wm. A. Stone, of Allegheny a veteran of the dark days of 1861-65, and now a member of congress from Allegheny county.

Col. W. A. Stone accompanied by Major McDowell, clerk of the House of Representatives at Washington, arrived in Bellefonte on 4:44 train Thursday afternoon and took quarters at the Bush House.

From that time up to the time for Col. Stone to go to the Court house, his room No. 16 was the mecca for politicians great and small from all parts of the county, besides hundreds of citizens who hastened to pay their respects to the distinguished gentlemen.

The meeting in the Court house was booked for 8 o'clock, but long before this time an immense crowd had gathered in front waiting for the doors to open. Previous to the time for the meeting two bands the Coleville and Undine gave delightful concerts in the diamond and as Col. Stone and Major McDowell were being escorted by the committee to the Court house, they were welcomed by cheering people, delightful music and one of the finest displays of fire works seen in Bellefonte for sometime.

The Court house where the meeting was held is one of the largest halls in Bellefonte and will hold over 1500 people. When the time for the meeting to begin arrived it was crowded to the doors with an eager and enthusiastic audience who proved very attentive listeners and did not fail to show their appreciation of every good point.

After music by the band E. R. Chambers, president of the meeting, announced the list of vice-presidents as follows: Samuel Miller, Clement Dale, Herman Miller, Bellefonte boro; John A. Daley, Curtin township; A. V. Miller, State College borough; D. B. Brisbin, Centre Hall; Hayes Schenck, Howard; Thos. Boggs, Milesburg; Riley Pratt, Unionville; S. H. Weaver, Ferguson twp., Joseph Bitner, Gregg twp., D. H. Rote, Haines twp., James T. Stuart, Harris twp., Joshua Pheasant, Howard twp., Wm. Johnsonbaugh, Marion twp., W. S. Furst, Patton twp., James B. Strohm, Potter twp., Christ Swartz, Wm. Saylor, Spring twp., Thos. Kessinger, Walker twp., Wm. Woodring, Worth twp.

E. R. Chambers Esq., then in an eloquent speech introduced the distinguished guest of the evening Hon. Wm. A. Stone.

HIS SPEECH IN FULL.

"I did not begin this fight myself, but, now I am in it, I will stay to the end. I am not like Mr. Wanamaker. He is traveling over the State telling that he does not want to be governor of Pennsylvania. I do. Mr. Wanamaker says if the bosses of the Republican party, as he calls them, will withdraw me he will withdraw. I tell you tonight all the bosses of Pennsylvania can't withdraw me from the Gubernatorial race. Mr. Wanamaker is today far more dependent on the bosses than I am. He can't get a delegate in Philadelphia unless Dave Martin says so, nor a delegate in Pittsburg without Magee's consent. He charges that I am being managed by W. H. Andrews. I declare tonight that I am managed by no man but myself, and, if elected, I will be owned and controlled by no man. Mr. Wanamaker threatens destruction to the Republican party if I am nominated.

"The only threat that I have to make tonight is that if Mr. Wanamaker is nominated I will vote for him. The first election I ever voted at was during the war, when our election box was a drum head and the only ballot I cast was for your distinguished townsman, Hon. A. G. Curtin, for governor. There are lots of Republicans when we don't need them. Major Merrick, who is now traveling with Wanamaker, voted for and stumped the State in the interest of Swallow.

NOT OWNED BY ANY BOSS.

I don't think it a great honor to hold an office unless the man honors the office. I have known many men in office who were not half so much respected when they went out as when elected. By clothing a man with the garb of an office you can't make him honest, if he was not honest before. I went into a contest with Mr. Wanamaker in his own county of Montgomery and three-fourths of the delegates were elected for me. It was not because of any great popularity, for I don't know the people of that county. I am glad to be here with you tonight, and I shall go on in my tour of the State, If I win I shall do my duty to the best of my ability and if I fail I shall go on as good a Republican as ever.

"Mr. Wanamaker talks about the wrongs of the Pennsylvania Legislature. I am not here this evening to defend the Legislature. I never was a member of that body, and I know no more of their doings than you do. I will have enough to do as the next Governor of Pennsylvania to investigate the doings of the next Legislature. I believe it to be the duty of the Governor to stand between the Legislature and the people; to hold in check and throttle any obnoxious or pernicious legislation. If I am elected Governor of Pennsylvania I don't expect to win anything greater than this, then when my term of office is over it can be said I was a true and a faithful public servant. If I thought I would become the tool of the bosses, as it is charged, I would pray that the people would defeat me.

STANDING ON HIS OWN RECORD.

"The only true charge that Mr. Wanamaker has made against me is that I am a friend of Senator Quay, but is that a crime, I would ask you? In my eight years in Congress I have done all I knew or could do for my constituent and the State at large. The record will show me on the right side of every measure brought before Congress that would be beneficial to this great State of Pennsylvania. I believe that the highest patriotism is that which protects our own people before you legislate in the interest of another people. I believe that this country is only truly prosperous when every man and woman can find employment whatever that employment may be. When there is a demand for all kinds of enterprise then only is the country prosperous."

At this juncture Colonel Stone dwelt at length on the prohibition of foreign emigration, declaring that either a law must be passed restricting the same or the workingman's wages must come down. Continuing Colonel Stone said:

"I am truly gratified that so many of you have come here tonight to listen to me, when I know your mind is not on me, but on what is the latest news from Cuba. Three long years have passed since the people of that island began their struggle for freedom. The United States have never interfered in the affairs of any government in the management of her possessions. The years passed by, and it was only after we began to read and inquire into the condition of affairs in Cuba that we learned of the horrible atrocities committed there. That Spain, unable to subdue with the sword, was resorting to starvation of men, women and children. Then it was that the people arose and cried that it was time to call a halt.

WHAT CONGRESS DID.

"When the Maine was blown up and 266 brave American sailors sent to a watery grave, the tide of public opinion became such that you might as well have tried to stop Niagara or to turn back the waves of the ocean as to combat the cry that Cuba must be free. Then came the prompt action of Congress, passed without a dissenting voice, and war was declared. Preparations were hastily made. Havana was blockaded and Dewey was sent on what was considered a wild goose chase. And while we were watching Sampson word came from Dewey of one of the greatest and most glorious victories the world has ever known.

"One thing this war has done, it has united us more solidly than ever as a people of one union and under one flag. There now is no gray, but are all one, clothed in the grand old blue. Soldiers who tonight are marching side by side to the front are under the command of men who fought perhaps at Appomattox or Gettysburg, one in the blue and one in the gray, but tonight we are all as one.

"Remarkable as it may seem, there are some nations who think Spain can whip us. Why Spain is two hundred years behind the time. Talk about themselves as a nation. Why, they have more trouble at home than they are having with us tonight. Their King is a woman, but if they would only let her rule the Empire, it might be far better for the government,"

At the conclusion of Col. Stone's speech Major W. A. McDowell was introduced and made a speech which electrified the audience. It was full of wit and humor and scored Wanamaker in great shape.

Congressman W. C. Arnold who was to have been present was detained in Washington which proved a great disappointment to his many friends here.

The Costa Rican Counterfeiters.

for many months the Costa Rican counterfeiters have been issuing bogus notes of the government of the island until the amount, it is said, has reached $1,000,000. Inspectors of the secret service bureau were chiefly instrumetal in bringing the malefactors to justice. The efficiency of the secret service is undoubted, but it is by no means a secret, but a patent fact, that the service that Hostetter's Stomach Bitters does the weak, nervous and dyspeptic is of genuine value. There have been from time to time counterfeits of it, as there are of the genuine Costa Rican notes, but the miniture note of hand on the label and the vignette of St. George and the Dragon, coupled with the exquisitely finished typographical work, are not successfully imitable. Any one who has used the Bitters knows its admiable qualities and the features of the exterior of the bottles. This agreeable tonic absolutely prevents and remedies malaria, rheumatism, liver complaint, kidney trouble and dyspepsia.

Another Scheme.

A clever scheme is being worked by a pair of smart fellows in nearby towns. One goes through the country on a good bicycle. When he strikes a town he claims to be hard up, and offers to sell the wheel cheap to get some money. The boys admire bicycles and bite readily, paying a small price for a first class wheel. After a few days the other sharper turns up and claims to be looking for a man who stole his wheel. He describes it well, giving the number, and the owner has to part with it. The sharpers raise from $20 to $40 a trip, and start for greener fields.

Knights of Malta Elect Officers.

YORK, Pa., May 11.—The grand commandery of the Knights of Malta of Pennsylvania, in session here today elected the following grand officers: Grand Commander, John Rowland, Philipsburg; generalissimo, David L. Melville, McKeesport; grand captain general, Jonathan Leibensberger, Hazleton; grand prelate, J. G. Boughter, Frankville; grand recorder, George H. Pierce, Philadelphia; grand treasurer, C. W. Bassler, Sunbury; grand sentinel, Evan R. Jones, Scranton; grand trustee, S. Tyng Hill, Philadelphia. Scranton and McKeesport were placed in nomination for the place of next meeting.

Scranton was choosen by a vote of 94 to 9.

A FRIEND'S ADVICE.

And what it led to.

It is not a common occurence that a friendly word should be the means of giving nearly forty years of happiness and health to the person heeding the advice it carried. This was the case with Mary Lingard. At twenty-five she was dragging out her days in misery. At sixty-one she finds herself so active and strong she can do work that would shame many a younger woman, and looks back on thirty-six happy, healthful years of industry. But let her tell her story:

"Thirty-six years ago I had great trouble with my liver. The doctors allowed that there were tumors growing on it, and they blistered my side in an effort to give me relief. I was at that time earning my living as a tailoress, but for five years, between the pain in my side and the blisters I was in constant misery, and work was a drag to me, with no prospect of relief; fortunately for me, however, a friend advised me to take Dr. Ayer's Sarsaparilla, and finally persuaded me to take a regular course of it. When I first commenced taking the Sarsaparilla my side was so painful that I could not fasten my dress, and for a time I did not get any relief, but my friend advised me to persevere and relief was sure to come, and come it did. This happened, as I say, thirty-six years ago. My liver has never troubled me since, and during these years I have passed through the most critical period of a woman's life without any particular trouble, and to-day, at sixty-one years of age, I am active and strong, and able to do a day's work that would upset many a younger woman. Ever since my recovery I have taken a couple of bottles of Dr. Ayer's Sarsaparilla each spring, and am quite satisfied that I owe my good health to this treatment. I give this testimonial purely in the hope that it may meet the eye of some poor sufferer."—MARY LINGARD, Woodstock, Ont.

Dr. Ayer's Sarsaparilla has won its way to every corner of the world by the praise of its friends; those who have tried it and who know they were cured by the use of the remedy. There is nothing so strong as this personal testimony. It throws all theories and fancies to the winds and stands solidly upon the rock of experience challenging every skeptic with a positive "*I know.*" Ayer's Sarsaparilla with its purifying and vitalizing action on the blood is a radical remedy for every form of disease that begins in tainted or impure blood. Hence tumors, sores, ulcers, boils, eruptions and similar diseases yield promptly to this medicine. Some cases are more stubborn than others, but persistence with Dr. Ayer's Sarsaparilla usually results in a complete cure. Mary Lingard began with a bottle, and went on to a course of Dr. Ayer's Sarsaparilla. When she was cured she realized that a medicine that could cure disease could also prevent it. So she took a couple of bottles each spring and kept in perfect health. There are thousands of similar cases on record. Some of these are gathered into Dr. Ayer's Curebook, a little book of 100 pages which is sent free by the J. C. Ayer Co., Lowell, Mass. Write for it.

Six Regiments to Leave Within Forty-eight Hours—These Are Busy Days in the Military Camp at Mt Gretna

CO. B BOYS FIRST TO THE FRONT

MT. GRETNA, Pa., May 11.—Governor Hastings to-day officially announced that six regiments of the Pennsylvania volunteers now at Camp Hastings will be on their way to Tampa, Fla., within forty-eight hours from noon to-day. Orders to have the regiments in readiness to move within that time reached the camp about 5 o'clock this morning. Major Thompson, the United States army officer commanding, immediately began the work of mustering in the companies of the various regiments necessary to make up the required number, and by nightfall about thirty-five companies had been sworn in. Arranged with their respective regiments, a grand total of five regiments, is the record of to-day's work, and, including the two regiments completed yesterday, there are now seven regiments of volunteers ready to move at the word of command. Over thirty railroad cars are sidetracked ready for the soldiers to board, and the first one will move probably in the morning.

It was definitely decided to-night that the regiments to go will be six of the seven now mustered in. They are the Fourth, Colonel Case; Sixteenth, Colonel Hulings; Third, Colonel Ralston; Fifthteenth, Colonel Kneps; Ninth, Colonel Dougherty, and Fifth, Colonel Burchfield. All that is necessary to prepare these commands and the others waiting to be mustered are uniforms for the recruits, canvass belts and blanket rolls for the guardsmen and new Krag-Jorgensen guns for all. Lieutenant Hay, U. S. A., was at work to-day distributing equipments of clothing to the commands mustered in. The non-completion of this will not interfere with the troops moving as the equipment will be completed in that case at Tampa. All ordinance will be handed around at the same place.

In addition to the muster of the above commands, two companies of the Sixth regiment took the oath, also three of the Tenth, three of the Eighteenth, one of the Eight and the Sheridan Troop. All told there is a total of 314 officers and 5,223 enlisted men on the field, now part of the volunteer army of the United States. These do not include batteries A and C, Pennsylvania volunteers now at Newport News.

Elections are going on in a number of companies to fill vacancies caused by officers being rejected by the doctors. Colonel Morrell, who was thrown from his horse and injured yesterday, was on duty as usual to-day.

DEATH OF JAMES HAMILTON.

One of Our Oldest and Most Highly Respected Citizens Passes Away.

Thursday evening May 12 just as the clock was striking the hour of ten the spirit of the venerable James Hamilton, one of Bellefonte's oldest and most highly respected citizens, peacefully wended its way to the courts of glory.

Mr. Hamilton death was entirely due to old age causing a general breaking down of the system. He had been confined to his room for the past ten months carefully cared for by his loving children. Everything possible known to medical skill and careful nursing was done for him but he gradually grew weaker until the end came at the above mentioned time.

James Hamilton was born near Pine Grove Mills, April 4th 1804. He was therefore 94 years 1 month and 8 days old at time of death. All his life has been spent in this vicinity. For over 16 years he was manager and clerk for Valentines Iron Co. He afterwards purchased a farm and then in 1841, married Hannah Waddle, whose mother was the grand-daughter of General Benner of Revolutionary fame.

Mr. Hamilton followed the business of farming up to the time of retirement about 20 years ago and has grown quite wealthy by his industry and frugal habits .

The venerable gentlemen could remember when there was no churches in Bellefonte and only three in the county. There was not a dwelling house between Reynolds mill and Lemont and only two houses between Bellefonte and Hublersburg. At that time Bishop street was a forest of pine trees. He also said that he did not see a carriage or buggy until he was past 40 years old.

A loving wife, five children, ten grand-children and nine great grand-children survive him. The childrens names are Abram, Mrs. Sarah Satterfield, Laura, wife of S. H. Williams, Murilla, wife of Wm. Dawson and Mary, wife of John Noll.

One of the largest funerals ever held in Bellefonte took place Sunday afternoon at two o'clock, when hundreds of friends, neighbors and relatives gathered at the Hamilton home on Willowbank street, to pay a last tribute of respect to the venerable James Hamilton whom everyone loved and respected.

Although he had lived long past the time allotted to man and was well prepared to go, yet there were many manifestations of grief, when the friends and relatives came to take their last look at this kindly christian gentleman, whose place in the community will be hard to fill The floral tributes were very profuse and beautiful. There was at the funeral many old citizens of the county who had known the Hamilton and Waddle families for years.

The services began at the appointed hour and were conducted by the Rev. Wm Stephens of the *M*ethodist church assisted by Rev. Wm Laurie D. D., of the Presbyterian and Rev. Goodling of the United Evangelical. The old methodist hymns, favorite's of the deceased were sung by the choir and sounded very beautiful.

The honorary pall-bearers were old citizens and friends of the deceased. They were *M*ichael Weaver and Joseph Ross both of Pleasant Gap; Perry Steele, of Axe ann David Keller, of Boalsburg; Wm Straub, Joseph Twitmire David Hoover and John Musser of Bellefonte.

The pall bearers proper were grandson's and grandson's in law of *J*ames Hamilton. They were Charles T. Noll, of Clearfield; Geo. Van Dyke, of Pittsburg; Clayton Brown, of Philadelphia; Thomas Moore, James Dawson, John *M*cGinley, Clyde Smith and Philp Waddle all of Bellefonte.

The interment was in Union cemetery.

The following tribute to the memory of the late James Hamilton who died Thursday evening last seems so well deserved that we give it space at this time.

If ever a life was complete, it was that of James Hamilton. He was noted for gentleness of disposition and no one ever doubted the purity or integrity of his intentions. In him were happily blended those of heart, and mind that bore him successfully through life, and made him equal to the performance of every duty to his God, and fellowman. His many acts of charity will ever be remembered by those in the vicinity in which he lived. Though quiet and reserved in disposition, was generous to a fault, his strength of character was known to all with whom he was acquainted, but the most delicate touches of his refined nature were only known to those whom he was most intimate. His life in the church was consistant and leberal to its support. His implicit faith in God, and willingness to submit every wish and care to divine Providence was exemplary in the highest degree. He possessed elements of character which rendered his life a great blessing. He saw the bright side of things and was not inclined to magnify the ills of life. He was noted for his freedom from uttering censorious words. He possessed great kindness of heart and found pleasure in doing a favor for anyone. A vein of good humor made his presence a source of pleasure.

As a neighbor he was honest, upright and obliging in his home. He was a kind and affectionate husband, and father. Although not engaged in active business for some years he kept in touch with local affairs. During the last years of his life he devoted much or most of his time in reading and meditating on the goodness of Divine power. Imploring God's blessing to rest upon him to comfort, sustain and deal gently with him. But death has done its work while his shadow was lengthening far out towards the west he calmly, and peacefully fell asleep. It may be truly said that in his departure a grand good man has been taken from us and we greatly mourn his loss. The composure with which he met death was a demonstration of the spiritual truth so beautifully expressed in the following lines.

How blest the Righteous when he dies.
When sinks the weary soul to rest,
How mildly beam the closing eyes,
How gently heaves the expiring breast.
Life's labor done as sinks the day.
Light from its load the spirit flies;
While Heaven and Earth combine to say.
How blest the Righteous when he dies.

Blessed hope beyond the grave of Immortality.

Notes About the Boys at Camp Hastings.

GENERAL WYLIE'S LEAVE TAKING

An Affecting Scene During Which the Boys Expressed Their Sorrow at the Enforced Separation.

GOOD WORK BY THE Y. M. C. A.

CAMP HASTINGS, *M*t. Gretna, May 15.

The boys in blue are experiencing another disagreeable Sunday, but nevertheless they are happy as can be.

Most of the week the weather was lovely and when it was so the officers of the U. S army were kept busy getting the regiments into shape to be sworn in as Uncle Sam's men. The work of swearing in the men ended on Friday at dinner time, and then in the evening at 6 o'clock the whole division passed in review of the Governor and his staff and the officers of the United States army.

The number of men that was in line was nearly twelve thousand. Twelve thousand men who courageously swore their allegiance to defend their country. This many men presented a beautiful sight to the thousands of people that came from far and near to witness it.

During the week the 4th and 16th regiments received orders to move South, and when our comrades were preparing to leave us, it was with aching hearts to many that they bid goodbye, probably for the last time, to the boys. When they were bidding farewell to Gen. Wylie it was with tears streaming down the brave leader's face that he bid adieu to them.

This week our company was greatly honored by the promotion of two of her men to positions in the 5th regiment. One was Sergeant Garis, who now holds the position of Color Sergeant in the regiment, and Frank Taylor, who now is the musical director of the 5th regiment drum corps. Both of these young men are deserving of good positions and everyone in the company is glad of their success. Sergeant Garis was also appointed mail carrier of the regiment.

Willis Williams, one of the boys who has been a member of the company for a good many years was promoted from the rank of a private to the office of a corporal. Willis is a good soldier and the position could be filled by no one better than he. Another young man who certainly was deserving of his promotion was Corporal James Morrison, who now holds the position of 6th Sergeant of the company. Sergeant Lose was also promoted to Commisary Sergeant. To these young men we extend our heartiest congratulations.

The boys that were rejected on medical examination we greatly miss. They were all good true soldiers and the boys that are left wish to extend to them their kindest regards. Not wishing to select one from the other, for they were all liked, but we would mention one especially, and that one was Sergeant Sam Taylor. When it was known that Sam had failed in his medical examination it was received with sorrow. because Sam was always one of the boys in for every little bit of fun that could be had, and he always seemed like a gleam of sunshine among the boys. And then there was Private Shuey—we miss him greatly. Shuey was an excellent soldier and Thal was another, and when the captain bade these boys goodbye it was with tears in their eyes when they answered him, and so we miss all of them and wish that they could again enjoy soldier life with us.

The company was agreeably surprised this week when they received boxes and barrels of good things from the kind people in Bellefonte. Everything tasted so very good and it brought back dear old memories of home life once again. The people were very kind and the whole company wish to extend their heartiest thanks to them. Of course we get enough to eat but nothing like what came from Bellefonte, and the persons who were so kind to contribute these things we wish especially to thank. The boys of course will know who they were when they get home (if they ever do) and then they will be personally thanked.

Among the many pleasant callers on our street during the past week was Mrs Robt Hayes, Mrs. Hugh Taylor, Mrs. Newton Spangler, Mr. Snyder, of Philadelphia; Col. Amos *M*ullen, Mr. Claude Smith, J. Wesley Gephart, Robt Foster, of State College, and many others. We were glad to see all of them and only wish that they could have remained longer with us.

The Young Men's Christian Association are doing a wonderful work in the camp. Their meetings have been a grand success so far. Nearly three hundred young men have stood up for prayer and on Sunday evening after Chaplain *H*artman had preached a wonderful sermon, nearly fifty boys in blue expressed their desire to live a different life.

Wishing the people at home much success and happiness we will conclude by saying that the 5th regiment of the P. V.s will move South to Chickamauga on Tuesday evening at 7 o'clock. The boys wish again to extend their farewells to the people of Bellefonte. R. T. B.

Co. B. Boys Remembered.

The people of Bellefonte are not forgetful of their brave boys at Mount Gretna as is evidenced by the fact that on last Thursday night three barrels filled with butter, eggs canned goods and other delicacies almost unknown to a soldier's life, were shipped to Camp Hastings by express. The students of the Bellefonte High school who solicted this splendid donation for the boys deserve high praise for their commendable efforts. Let there be more of it. We cannot do much for our soldier boys.

AN EARLY MORNING WEDDING.

Jacob Gross and Miss Margaret Curry United In Marriage.

A very beautiful wedding ceremony took place Tuesday in St. John's Roman Catholic church on Bishop street. The contracting parties were Mr. Jacob Gross, a popular young business man of our city and Miss Margaret Curry, the pretty and accomplished daughter of Mr and Mrs. John Curry, of this place.

It was a little past 7:30 o'clock when the nuptial mass began and the large church was well filled with the many friends and acquaintances of the happy young couple.

The solemn words which united these loving hearts in the holy bonds of wedlock were said by the Rev. P. McArdle, pastor of the church. The bride looked very beautiful, dressed in a traveling suit of gray and the groom appeared manly and handsome in conventional black. Mr. Harry Taylor, a Nephew of the groom made a handsome best man and Miss Bridgie Curry, a sister of the bride, a very pretty bridesmaid.

After the ceremony the wedding party drove to the Curry residence on East Logan street where a dainty wedding breakfast was served and where the bride and groom were fairly showered with the congratulations of their many friends.

Mr. and Mrs. Gross took the morning train for a wedding tour to eastern cities after which they will return and go to housekeeping in the Storm property on Reynolds avenue.

Many beautiful presents were received by the newly married couple which were both useful and ornamental. This paper extends its heartiest congratulations to Mr. and Mrs. Jacob Gross and in the words of Rip Van Winkle, "May they live long and prosper."

Flag Raising's

Tuesday noon the employees of the Standard Scale works manifested their patriotism by raising a handsome flag over their shops at this place. There was quite a large crowd present and much enthusiasm was displayed when "Old Glory" was unfurled and floated proudly to the breeze.

Other flags are to be raised in this vicinity. Among the number may be mentioned one at the Academy next Friday afternoon. The employees of the Glass works are also preparing to raise one 70 feet high. Judge Love and other prominent speakers have been invited to be present on this occasion and the Coleville band has agreed to furnish the music.

Talk about patriotism and love of country, Bellefonte against the world.
